CHECK OUT THE WORKSHOPS FOR KIDS AND TEENS!

"Do or Dye! Dye, Spin & Weave"

July 27 - 31: 9am - 4pm

Ages 12 - 16

Tuition: \$265 (includes materials)

How 'do' you 'dye' fabric and fiber?

Spend the first two sessions in the dye lab creating a colorful palette of fabric and fibers, then into the spinning room you go!

How 'do' you spin on a spinning wheel?

Our instructor will teach you some 'dye' hard techniques to spin your dyed fibers into a small ball of yarn to use in a knitting project or in your floor loom project the next day.

How 'do' you weave on a floor loom?

In the second half of this class you will transform your colorful fabric into strips and weave them on the big floor loom to make a mod tote or duffle bag-type purse, complete with a flap and handle....

It's to 'dye' for!!!

Weaving

"Thing-a-ma-Jiggers"

July 20 - 24: 9am - 12pm

Ages 8 - 11

Tuition: \$150 (includes materials)

Join in the fun and learn all about weaving cool things! Students will create colorful "Thing-a-ma Jigs" using both portable looms, yarns and fibers, and the best jigger of all, the BIG floor loom. Each day students learn a different hands-on weaving project. A variety of techniques will be taught: simple loom weaving, tapestry, free style floor loom weaving, braiding and more! There will be plenty of 'Thing-a-ma-Jiggers' to go around!
